

Friends of Myakka River present:

Tim Dorsey

Florida best-selling author

Tim Dorsey's newest book *Electric Barracuda* will be out in January. His first stop on the book tour will be Myakka! Dorsey will introduce you to the madness and mahem this book offers and read excerpts from it.

Why Myakka? Serge A. Storm, the book's protagonist, finds refuge at Myakka and then an avenue of escape. Will the rangers help him or help catch him? How does he escape hot pursuit by the law? I don't know but I hear it's a wild ride downriver at night. Don't miss this very special evening.

Saturday, January 22 @ 7:00 p.m.

Admission is Free, though donations to the Friends of Myakka River are always appreciated. 100% of donations go to the Myakka Forever Endowment Fund.
