RESERVATIONS & CAMPING

RESERVATIONS AND TIPS

When the setting sun paints an evening sky, where will you make your bed? Florida's state parks offer a variety of overnight accommodations. At a Florida state park, the day's work is play, a walk on the beach, a hike through the woods, a swim, a bike ride. Tools for the day's work? A fishing rod, a kayak, a book, a friend. What do you want to see when the sun rises on the new day?

Choose a wooded campsite within walking distance of white sandy beaches, or camp along the banks of a quiet moving river. Bring your boat or canoe, or fishing tackle and a rod for a relaxing time with family or friends.
