Two for Tuesday Special

Camping at Highlands Hammock State Park

Highlands Hammock State Park

One of Florida's oldest parks, Highlands Hammock was established when local citizens came together to promote the hammock as a candidate for national park status. During the Great Depression, the Civilian Conservation Corps (CCC) developed additional park facilities and the beginnings of a botanical garden. Many visitors enjoy bicycling the scenic 3-mile loop drive or hiking along the park's nine trails. An elevated boardwalk traverses an old-growth cypress swamp. Ranger-guided tours are popular. Hammock Inn Restaurant serves meals and snacks. A museum, open daily 9:30 a.m. - 3:30 p.m., showcases the history of the CCC. The family campground offers water and electric hookups, a dump station, restrooms with shower facilities, and laundry and dish washing areas.

Paynes Creek Historic State Park

Nature enthusiasts and hikers enjoy walking along trails through the natural areas at Paynes Creek Historic State Park in Bowling Green. Paynes Creek and the adjoining Peace River provide opportunities for canoeing, kayaking and fishing. A museum at the visitor center, open daily 9 a.m. to 5 p.m., depicts the lives of Florida's Seminole Indians and pioneers during the 19th century.
